

It's nearly time to submit the Chichester Local Plan

We've listened and responded to your views.

We've addressed the challenges we faced.

We're now running a very specific consultation between 3 February and 17 March 2023 which invites you to comment on three specific questions or tests at: www.chichester.gov.uk/localplanconsultation

Legal compliance – does the plan meet the legal requirements for plan making as set out by planning laws?

Soundness – has the plan been positively prepared? Is it justified, effective and consistent with national policy?

Duty to cooperate – has the council engaged and worked effectively with neighbouring authorities and statutory bodies?

Once completed, these responses will be submitted together with the Local Plan to a Planning Inspector for independent examination on behalf of the Government.
